This beautiful East Manatee County home has a spacious feel with vaulted ceiling and 18" x 18" tile throughout with carpet in the bedrooms. The tinted windows and upgraded R-30 insulation in the ceiling along with a 13 Seer central air and heating system featuring 2 climate controlled zones is sure to keep you cool during Florida summers. Granite countertops, stainless GE Profile appliances including a double oven, walk-in 'hide-away' pantry and solid wood cabinets transform any meal into a fine dining experience. Pocketing sliding glass doors across the rear of the home bring light and natural beauty into your home while affording you great views of the pool and the nature preserve beyond. In-wall pest control and central vacuum system make maintenance a breeze, while the master bath soaks you in luxury with a walk in shower with dual heads and an independent jetted tub spa. The master bedroom features his and hers walk-in closets which will provide you plenty of storage. Finally, the upgraded large baseboards, crown molding, and chair rail will assure you of this home's class and style.
